From the Registrar, Acharya N.G Ranga Agricultural University,
Lr.No8917/ AE&T/ 2017, dated:04.08.2017.

O R D E R:-

In the reference read above, the Registrar, Acharya N.G. Ranga Agricultural University, Lam, Guntur ANGRAU has reported that as per the ANGRAU Academic Council decision, the College of Home Science, Bapatla was established at Bapatla, Guntur District, during the year 1983 offering 3 years B.Sc., (Home Science) Degree programme in order to educate the girl students of 10+2 (Intermediate) standard and catering to the needs of education to meet the rapidly changing demands of community, with the manpower as mentioned therein, to run the College of Home Science, Bapatla.

2. The Registrar, ANGRAU has further reported that due to poor enrollment of students towards Home Science degree programme, in the academic years 2001-02 & 2002-03, the College of Home Science, Bapatla was windup from the Academic Year 2002-2003 and in its place a new four year Degree Course in B.Tech., (Food Science) subject has been introduced with an intake of 40 students vide Proceedings No.1283/Acad.I/A1/2002, Dated 12.7.2002 of ANGRAU for the benefit of student community in creating knowledge and work experience on development of Food Technology for enhancing Food preservation, Processing, Storage, Packing, Food and Nutritional Security for the people, trade and business management for food products and the College of Home Science is renamed as **"**College of Food Science & Technology". With the Food Science Degree, the students can secure jobs in food industries in India and also in abroad. These students are presently getting 100% placement in various companies like Coca-Cola, Biscuit Companies, Beverages, Chocolate Companies, Food Inspector, Food Quality Departments, Dairy, etc., and in M.Tech., Programmes. The College of Food Science & Technology, Bapatla is presently running with the same manpower and in the same buildings of the College of Home Science, Bapatla, by redeployment of Teaching & Non-Teaching staff of College of Home Science, Bapatla to College of Food Science & Technology, Bapatla for smooth functioning of the College.

3. The Registrar, ANGRAU has also informed that according to the IV Deans' Committee recommendations, the 4 year B.Tech., (Food Science) Degree programme being offered at College of Food Science & Technology, Bapatla was renamed as B.Tech. (Food Technology) and adapted respective new syllabus as recommended by IV Deans' Committee to achieve the trends and needs of Food Industries in the areas of development of Food Technology for enhancing Food preservation, Processing, Storage, Packing, Food and Nutritional Security for the people, trade and business management in the year 2008 and as on today in this College, the admission strength is increased to 60.

[P.T.O]

4. The Registrar, ANGRAU has, therefore, requested to ratify the action of University in having started a B.Tech., (Food Science / Food Technology) Programme in place of 3 years B.Sc., (Home Science) Degree from 2003 and onwards with the same manpower as existing in the College of Home Science and to issue a new G.O. for this already established College of Food Science & Technology at Bapatla from the year 2003. He has also requested to Re-name the College of Home Science as College of Food Science & Technology, Bapatla, since 2003.

5. Accordingly, Government after careful consideration of the above proposal, hereby ratify the action of University in having started a B.Tech., (Food Science / Food Technology) Programme in place of 3 years B.Sc. (Home Science) Degree from 2003 and onwards with the same manpower as existing in the College of Home Science and also rename the College of Home Science as College of Food Science & Technology, Bapatla.

6. The Registrar, ANGRAU, Guntur shall take further necessary action in the matter, accordingly.
